NexusCare

ONE SINGLE DASHBOARD OF NURSECALL INSIGHT, NO MATTER HOW MANY SITES OR SYSTEMS YOU HAVE.

Nexus cloud delivers Nursecall management information across your entire portfolio of homes including:

- Number of calls per home
- Busiest periods in each home
- Severity of calls e.g. Call/Assistance/Emergency

- Average response times per home
- Regional analysis
- Resident activity & behaviour trends

View management information at group, home, zone or resident level and on a daily, weekly or monthly period.
